With reference to the Councillor's three queries it is submitted as follows.

Queries

(1) Is the portion to be made over for good or will it come back to Government when required after six or twelve months' notice?

(2) If the Swamy is to keep the whole building clean, the servant now employed will have to be dispensed with: if so, how is the land now endowed to be treated.

Answers

The Arajigehalli Swamy has executed a Muchalka on the 16th July 1900 stating that he has no objection to vacate the building whenever it is required by the Government for any special purpose.

The patel to whom an Inam Land measuring 3 35/40 acs was given for working after the Chabram, has transferred the land in favour of the Swamy. The Amildar of the Kolar Taluk and the Deputy Commissioner are of opinion that the land may be struck off the Inam Khata and made over to the Swamy on full assessment viz: Rs 11 as the Swamy has to keep the whole chabram clean. The Agent of the Mutt has consented to take up the land on full assessment (Letter No 586 & 21-4-02 from the President

4. The President says the Chabraun is in a dilapidated condition. The building is a big one. Travellers are afraid to halt at this building. If a portion is made over to Swamy, the chabraun workers will be busy, travellers would stop here, Brahmin would be fed by the Swamy non-Brahmin travellers would thus increase the Swamy would keep the chabraun clean. Sir,

With reference to your docket No 3460/27.70-94 dated 27th August 1901 calling for further particulars regarding the making over of a portion of the Chattram at Shamchally in the Kolar Taluq for the use of the Bunjigehally Matt Weaving, I have the honor to state that the Amildar of Kolar reports that the Chattram was built in 1874 at a cost of Rs 1289 and odd under the orders of the late Bangalore Division Superintendent. It is not known from what

funds it was built. From the diary of the records it appears that a Peon on Rs 3 per month and a Sudra on Rs 2 per month with a contingent allowance of Re 1 per month for lighting &c was entertained for looking after this Chattram till the end of January 1868 as per order No. 295 dated 2-11-1849 from the Division Superintendent. On the 29th May 1868 an order No. 77 seems to have been issued from the Deputy Commissioner, Kolar, to discontinue the above establishment and stating that the Chattram should be taken care of by the Police stationed there. Subsequently on 3-12-1878 an order No. 362 was issued by the Assistant Commissioner in charge of the Head Quarter Sub division with the approval of the Deputy Commissioner, directing the Patel Kasappa who had been given a strip of land measuring 3 acres and 35 guntas by the side of the Chattram for cultivation, out of that produce to entertain a servant

for keeping the building clean, which is the practice till now. This land is assessed at Rs 11/- during the late Survey Settlement ~~and~~ stated to be Inam land in the Phyeal Patrika

2. When the question of constructing Dharmasalas in some of the road side villages was put before the Board in the year 1891-92, a reference was made to the Dharwar Superintendent whether he had any objections to transfer the building to the charge of the District Fund Board which was done vide Dharwar Superintendent's docket No 123 / Dhwr 7-53-92 dated 16th November 1892.

3 The building is an extensive one and was probably built there in pre-Railway days for the use of the large number of persons going to Tirupati &c. Since the opening of the Railway, the number of persons using the Chattram has dwindled down. The Chattram as it is now requires a good many repairs. If the portion applied for by the Guru of the Hajjigehally Matt be given to him, he will undertake to repair that portion at his own cost and the remainning portion will

Sir

With reference to your docket No. 2970 2270 &c. dated 23rd September 1901 regarding the grant of a portion of the Chatram at Sambehalli for the use of the Mayagehalli Swamy, I have the honor to state that the Inam land endowed to the Patel for the maintenance of the Chatram measures ac. 3 - g. 35 assessed at Rs 11-0-0: no quit rent is charged thereon. The Patel has been paying local cess of 0-11-0 to Government. He has now transferred this Inam in favor of Mayagehalli Swami. The Amildar is of opinion that the land in question may be struck off the Inam Khata and given to Mutt on full assessment, to this the agent of the Mutt has consented. As the Swami has to keep the

whole Chutram clean, I see no objection to the land in question being given to the Matt on full assessment. On receipt of Govt sanction to the above proposal, the services of the Patil employed to conserve the building will be dispensed with.
